Description

The property is approached via a carriage driveway offering an impressive frontage with access to a triple garage. On entering the property, you are met with a welcoming hallway that leads to a home office offering a lift and WC. The beautifully presented living space includes a generous bay fronted living room with feature fireplace, bifold doors leading to a bright and airy conservatory and double doors to the garden. An archway leads through to the dining room which again offers views across the garden and leads nicely to the spacious kitchen/breakfast room. This includes a breakfast bar and fitted cupboards making this room the heart of the home. A further door leads through to a useful utility room and the extended part of the property. This offers a large family room with character features, cloakroom and aviary into the garden which could easily be used as a self-contained annex. Upstairs there is a galleried landing with two picture windows creating a light and airy feel. The generous main bedroom enjoys a walk in dressing room with the addition of an en-suite shower room. There are a further three bedrooms all with built in wardrobes, ensuite to the second and a family bathroom. Outside the property enjoys a mature garden that's mostly laid to lawn and a substantial garden room equipped with water and electricity.

Location

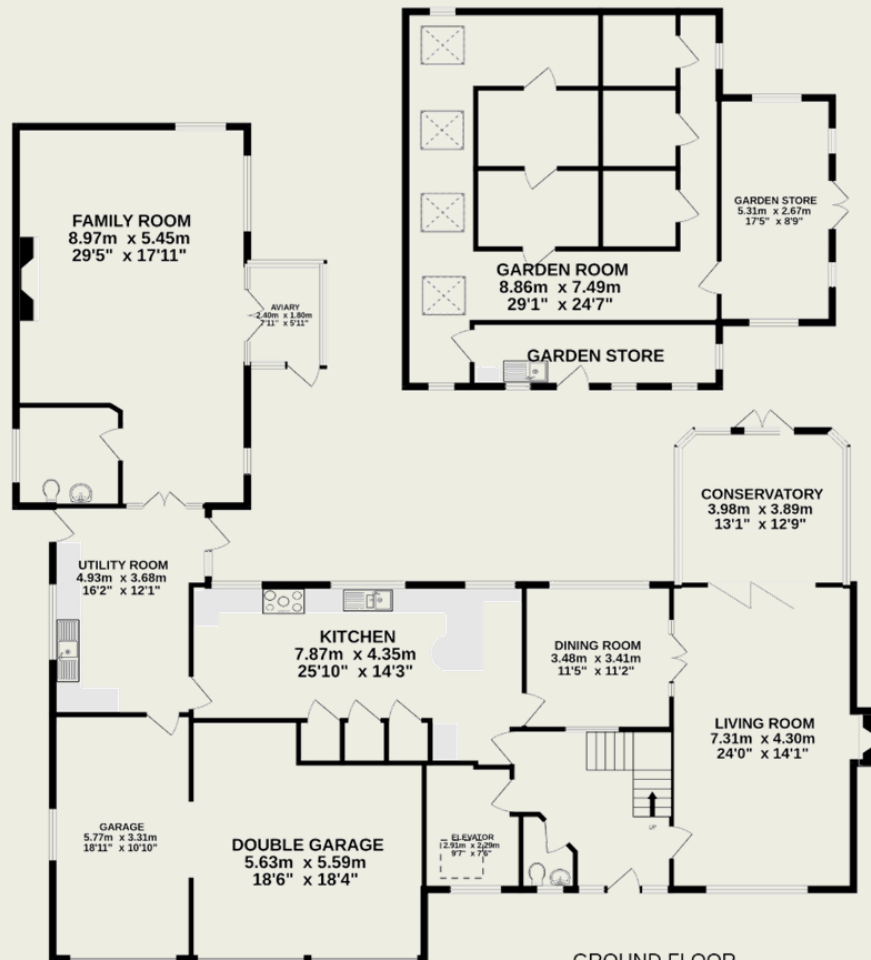

Located in the desirable Holywell area in Studham, a designated area of outstanding natural beauty. The village has an excellent primary school and is close to the renowned private Beechwood Park School. School bus services are also available from the village. Studham is well placed for excellent transport links, while remaining a rural location convenient for the towns of Harpenden and Berkhamsted, which have fast rail links into London and the City.
