Description

This three bedroom home is ideally positioned for access to the popular Beaumont School and is located on a quiet cul-de-sac set back from the road with off-street parking to the front. The front door opens into a small porch which, in turn, leads into an open-plan reception room with plenty of space for living and dining furniture and large windows bringing in plenty of natural light. The kitchen is to the rear and is planned to provide good storage and space for appliances and beyond is the bright conservatory which has views of the garden.

Upstairs the landing leads to three good sized bedrooms and a family bathroom. The private rear garden is landscaped to create a paved seating area close to the house and an area of artificial turf with a garden shed to the rear and a gate giving access to the garage which is en-bloc close by.

Location

The property is perfectly positioned for Beaumont secondary school and Oakwood primary school with the local amenities of Hatfield Road close to hand. The city centre is easily reached, and St Albans City Station is around a mile and a half away.
